Hi Brandon,

Although you usually do not have to review the draft versions of the TPT summaries, I thought that in this instance it only correct to let you review and send any comments back to me regarding your portion of the summary.

Thanks again for your presentation to the TPT..it was both informative and helpful to the team.

The review period is closing on these, so if you can get them back to me quickly, it would be appreciated.

Thanks Brandon, and happy holidays to you!

J
